

PARK WINTERS

for the holidays!

CELEBRATE IN THE PARK!

December transforms Park Winters into a festive holiday experience for colleagues, families and friends to gather and celebrate. Our grounds and Inn are beautifully decorated with evening lights and boughs of holly for the season.

As a corporate holiday venue, we're able to accommodate company parties both large and small. Guests can mingle in the cozy parlors of our Inn or dance the night away in our elegant event barn.

Whether a business event or a lovely long table for friends and family, your guests will remember our award-winning food and impeccable service.

We look forward to creating a memorable event that captures the magic of the holidays for you and your guests.
